

# Homework: Spreading the Word

Name: \_\_\_\_\_ Date: \_\_\_\_\_

**INSTRUCTIONS:** Lots of students don't know the information we went over in class today. Your job is to find four different people your age between now and next class and share two things about sexting you remember from class with them. Then complete the table below and hand it in next class.

	First name of student you spoke with	Date of conversation	What two things did you share with them from class?	How much of this was new to them?
